### *Introduction: Egg cosies*

## Egg cosies:

### Material for one egg cosy incl. 1 cm seam allowance:

18,5 x 17,5 · 7 ¼" x 7" Murano (3984/4077)

18,5 x 17,5 · 7 ¼" x 7" Patchworkstoff (10-2325)

18,5 x 16,5 · 7 ¼" x 6 ½" Thermolam 272

### Finished size:

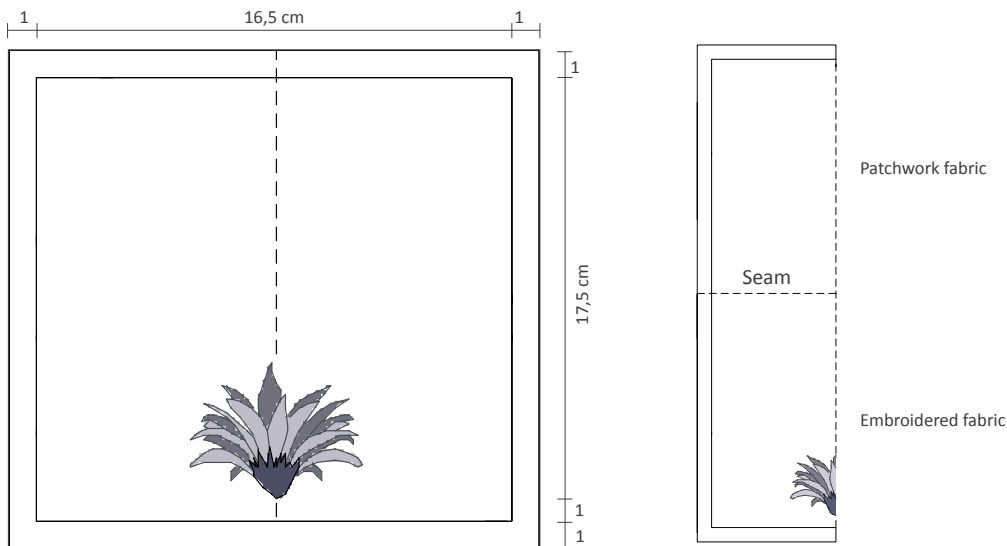

6 Ø x 15,5 cm · 2 ½" Ø x 6"

### Embroidery:

Finish the fabric with the sewing machine before embroidering it with a zig-zag stitch. Embroider the motif on the Murano according to the pattern (2-thread cross-stitch, 1-thread backstitch, work over 2 x 2 mesh threads).

### Sewing instructions:

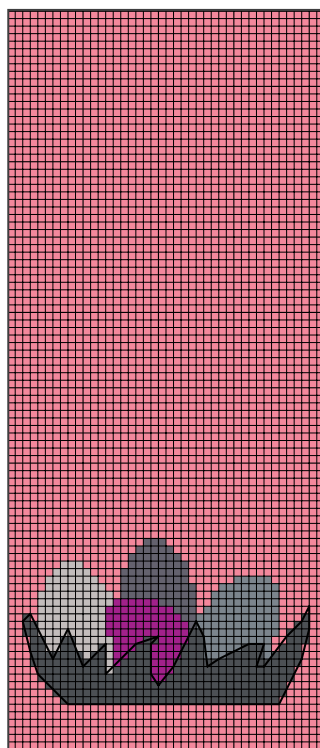

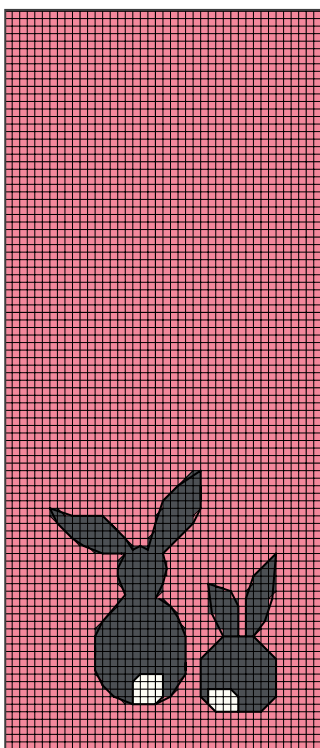

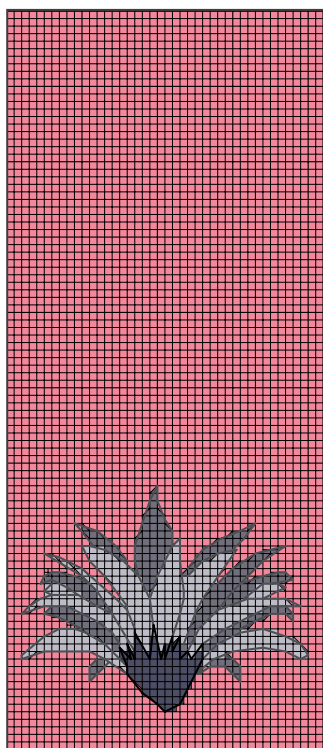

Place the embroidered fabric and the patchwork fabric onto one another, right on right. Place Thermolam onto the embroidered fabric, fasten in place with pins at the

upper edge and sew together. Cut the Thermolam narrowly along the seam. Iron apart the seam and lay the non-woven cloth for the patchwork fabric.

Place the outside and inside onto one another longitudinally right on right, fasten in place with pins and sew them down. Cut the Thermolam narrowly along the seam, iron apart, turn the tube so that the lining is on the inside and the embroidered fabric is on the outside. Then turn over a 1 cm seam on the embroidered fabric and the lining and close by hand. Tie together with a suitable ribbon.
